

**April 21, 1990**

The Light of God surrounds me; the Love of God enfolds me; the Power of God protects me; the Presence of God watches over me; and wherever I am, God is.

JEY comes and JEY is aware that those of you who have gathered here at this time are indeed here for a purpose; and so it is the joy of this one who comes as gatekeeper for the OMEGA to be in your presence and to communicate with you. JEY would ask at this time that you continue in meditation in order that those things which are to be given at this time may become a part of you. Simply ask that your heart and mind may be open, that you will understand what is to be given. JEY comes in the will of God and JEY comes as the gatekeeper for this which is the OMEGA. JEY also comes in the capacity of the guardian of spirit for this which is channel, and JEY would not at this time seek to allow any that would be present to communicate through this one except it be the will of God. It is the will of those in the spirit realm to so strengthen each of you who are here as members of the OMEGA group, to so strengthen you in spirit and in mind and in body that you will become that which is necessary for you to be in the future. JEY comes, mindful that each of you have indeed struggled long and hard to achieve spiritual strength and knowledge, and so it is with great joy that JEY and others who come to you from the spirit realm are here to give you additional strength as you encourage your own spiritual growth.

JEY would ask you at this time to be willing to receive communication from another who is in your midst at this time. JEY would ask also that you be in prayer, that your spirit within you may be able to so control your own physical being at this time, that you will fully understand what is to be given to you. JEY would ask that you be at peace, as one who has been with the OMEGA will indeed be in your midst to communicate with you at this time. Be at peace.

AMEN! MICHAEL comes at this time, as that which is the will of the Creator for your life at this moment on this which is the Earth Plane. Michael comes to bring you greetings from all those who are in spirit at this time who have a deep interest in the OMEGA group. Michael comes with the understanding that each of you who are here at this time are now known as OMEGA, and you are here in order to receive additional spiritual strength and spiritual growth at this time. Michael asks that each of you would, at this time, be willing to receive a blessing. As Michael is known to do, Michael would ask that you extend your hands in this fashion in order to receive that which will be a spiritual blessing for you from the Creator. It is the privilege of this one who comes as Michael to give this which is indeed necessary for you, to have a full understanding of that which is the purpose of the OMEGA. And so Michael comes with this.

Receive this which is of the Creator. Receive this which is known to be a great spiritual outpouring that will enable you to fully understand the purpose of OMEGA and to fully strengthen you in all areas as you proceed toward that which is your purpose on the Earth Plane. And so Michael would ask that you be at peace with that which you have received, with the knowledge that you are aware of the strengthening of your spirit within and your own resolve with regard to spiritual growth.

This one who comes as Michael the archangel would advise each of you who are here at this moment to be in prayer and meditation before the time of the meeting in the day to come. It will be that during that time that this one will come again to you, to give you that which is necessary for you to accomplish in the day to come. It is not the will of this one who comes as Michael the Archangel to make all decisions for you. That is the purpose of your life on earth... that which is the making of decisions. But be it known to you that in the day to come there will be much come to you that will set the tone for this which is the gathering of the OMEGA. You have been brought from great distances to be here. You have felt within your own hearts that it was necessary for you to come here. And so it is not without a purpose that you are here. Be aware that each of you have with you, in your own being at this time, that which is the spirit that

p. 2 of 2

has been placed in your physical body that has much knowledge and much strength; but by being gathered here as the OMEGA, you are being strengthened beyond that which you would know as an individual. You have been given great abilities of having become aware that you are OMEGA. This has not just been a happening that occurred just within this lifetime. Be aware that each of you who are here at this moment have known that within this lifetime you were to become congealed as one, united as one. You have lived many lifetimes. Many of those lifetimes you were indeed together, and it was planned at this time that you would be together on Earth at this moment. Be aware that if you, at any time, have a question about what is to be given in the day to come, you are to feel free to ask questions of this one who comes as Michael the Archangel. It is not that we who are in spirit are seeking to cause you to accept our will; we are here as spirits in the spirit realm to help you attain the goal that has been set for the OMEGA group. And so it is necessary for you to question, for you to be aware that what is being given to you is Truth, and you may at any time feel free in the day to come to ask questions of those who come to you as teachers from the spirit realm, as guides from the spirit realm. You are not to be forced, in any way, to accept, that which is given. And so with this said, Michael would come with this additional information.

In the day to come you are also to be allowed to receive information from one who has been coming to the OMEGA group. You have been aware of the information, inasmuch as you have been receiving information. Each of you who are here at this time are aware of that which is known to you as the chaos. You are being prepared now, spiritually and physically, for that which is to come; and so the one who is known to you now as SECHA will be here to address you in the time to come. Allow your prayer to be for the strengthening of that one. SECHA does indeed come as spirit in life form. SECHA does indeed have a responsibility that perhaps overshadows that which you cannot understand at this time, but will in time to come. The responsibility is at this time to prepare you physically for that which is to come in the future. SECHA cares as that who is a highly intelligence being, as a spirit in life form, and SECHA can indeed enable you to understand what is necessary for you to be able to do in order to achieve what must be achieved in the time to come. Do not let this be of great concern, of great worry, to you. SECHA comes with the responsibility of informing you, and you will be able to understand what this one brings to you. Would you at this time accept this? This one who comes as Michael comes as a very advanced intelligence from the spirit realm. This does not mean that the one who comes as Michael seeks to give you information that is beyond your understanding. The information that is given is in the will of the Creator and is indeed within the realm of your understanding, else it would not be the will of God that you receive that information. And so as the time comes when this one will come to you in the day to come, you can be assured that the information that is given to you does not come as a result of this which may be the intelligence of the one who comes as Michael, but simply comes to you as the will of God for your own life on Earth at this time. You are indeed special spirits; you have been together as a need at this time. You have been brought together to fulfill a purpose that has been known to you throughout many lifetimes. And so it is at this time in your life, at this time, you are preparing to meet that challenge that has been known to you. Be aware, too, at this time that you need to continue to seek for strength through prayer and meditation. It can be given to you. And even as Michael has allowed you to receive a blessing of great spiritual strength during this time, you can continue to receive such blessings as you spend time in prayer and meditation. Simply ask for what you need and it shall be provided. And if, at any time, you feel the necessity for this one to come to you to further strengthen you, you need only to ask and it can be so. This one who comes as Michael the Archangel has accepted the responsibility for this further development of the OMEGA group, and so it shall continue until such time as this one no longer needs to be in your midst. And so it is that with great love this one who is Michael comes again to bid you love and peace, and ask that you continue in meditation and prayer in order that you may be fully prepared for the day to come. And so it is that Michael would ask that you be at peace. Go in love.
