

JULY 10, 1995

p. 1 of 1

JEY is here and would ask at this time that you be at peace. Know that JEY is aware of your concern at this moment and would assure you that there is nothing for which you need to be fearful. JEY is aware that you have been in a time of discussing the one who has been JOHN in your life, and so it is that you have been able to draw to you the energy of that one. Be at peace with this and know that JEY will encourage you to allow that one to come and communicate with you. Know that the Spirit of that one who has been in your life surrounds you with much love daily and it is with much joy that that one has been enabled to be a part of your life while yet Spirit. Know that JEY would ask that you be receptive to what is to come at this time. Be at peace.

KNOW THAT THIS ONE COMES IN THE WILL OF OUR CREATOR, and does come because it is the joy of this one to have the opportunity to be with you and to be in your life. This one comes as JOHN and is indeed that which is Spirit of the one who was the husband in your life on Earth. Allow this one to give you an expression of Love, for it is with such Love that this one looks upon you at this time as Spirit in Body, as one who was in the life of one who was John on Earth.

At this time allow this one who is JOHN to communicate with you to this extent... that you were able to be aware of the energy that came to you and know that JOHN does appear to you now as that which is an energy which you are able to feel. And so it is with much thanks that the one who is JOHN can tell you that you have been alert to those things of Spirit to the extent that you were aware, and also that there was an opportunity for you to communicate.

JOHN does not come at any time to frighten, but simply to allow you to know of the presence of this one. JOHN would assure you that the Spirit that you knew on Earth as JOHN is indeed at peace in the Spirit Realm and does have the opportunity to be in the presence of our Creator. But also know that JOHN has been given the freedom to come back to work with those who are OMEGA, and especially to be in your presence; for it is you who are responsible at this time for those things that are on-going in the life of many on the Earth who are known as OMEGA. You have provided the written form that has served as a magnet for many who otherwise would not have known the direction to which they were to turn to become affiliated with that which was necessary for them on Earth. And so your life must, at this time, be fully protected by those of us who are in Spirit.

This one who comes as JOHN comes to urge you to continue in your work and to continue giving of your time where it is necessary for you to do so. You will be provided with the energy that is necessary. JOHN also comes to tell you that it is now the time for you to begin the writing of that which is the book. This one who comes in Spirit will be with you and will encourage your thinking, but still which will require the use of those things which will be given by Spirit. Be aware of this, and know that once the writing has begun, it will be finished in a quick period of time. You need not be concerned. The time will be made clear for you to do that which is the writing.

JOHN comes with much Love and would ask you to allow the ones who are in the life of JOHN on Earth to be aware that the Spirit of JOHN can come and be with them if they simply will allow it to be so. JOHN daily has the opportunity in your life to be near you, and you are often aware of this through thought. JOHN can tell you, too, that as you have been in a time of being able to communicate more frequently with those in the Spirit Realm in order to help those who come to you seeking after guidance, that those of us in Spirit are in your midst at that time. We come to encourage all those who are the young who have been coming seeking after the way, to know more fully their purpose upon Earth and the realization that they are Spirit. And so JOHN comes again, aware that you have received the urging to communicate, and JOHN would ask you to continue when there is a need such as you have felt at this time for JOHN to communicate. And so JOHN comes now simply to allow you to know that JOHN remains with you, but does not interfere with your daily activities. JOHN would encourage you to accept the love of all who come to you. It is important for you to feel that Love. You were a loving individual on the Earth and continue to be a loving individual, but it has always been necessary for you to know the Love of others. And so it is important for you to allow that to be given to you.

Be at Peace and know that JOHN has come with much Joy and much Pleasure at this time, and would allow you to know that JOHN will return in the days ahead. Go now in Love and In Peace. JEY returns, and now that which you have been able to recognize as a form of energy has been revealed to you as that which is Spirit. Know that you will begin to increasingly be aware of such energy in your presence in the days to come. It is Important that you be able to allow your Spirit Within to begin to communicate more frequently with those who come in Spirit to you. There is an urgency in this. It is important that you allow those messages to be given to you. We who are in Spirit feel strongly about the guidance that is necessary in these days for all who are Seekers of Truth, and JEY will tell you that in the time of the meeting to come tomorrow there will be others come to communicate. It is important that you allow your body to be used as an instrument at those times. Go now with an understanding of much love for you, and go with the knowledge that you will be in Peace. AMEN.
