JEY is here and does come now to this which is the midst of those of you who are here and does give thanks at this time that you have gathered. It is always the joy of JEY to come and be with you when it is requested; but JEY is aware that there are others that need to communicate with you as well. Still, allow JEY to say this to you. You have been here and in a time of communication with each other. You have felt drawn to that which is the nearness of each other, nearness of all who are OMEGA on the Earth Plane. Let your hearts, your thoughts, your minds be opened to all that can be said to you in this time of meeting, with the knowledge that what can be said will strengthen you, will bring you an opportunity to be more fully aware of those things of Truth that can be given to you. It is at this time that JEY wishes to allow another to come and communicate with you. Know that JEY is well aware that JEY is indeed the guardian of spirit for the one who is here to be a channel for the information; and know that JEY is very much aware that JEY must be very careful with regard to those who are allowed to come and communicate, and bring those words that may indeed have an effect upon your lives. And so JEY comes at this time to declare to you that when JEY allows another one to come and talk through this voice, you can be sure that one will come in the will of the Creator. And so JEY at this time will allow another to come. Be at Peace.

ALLOW THIS ONE TO COME. BE AWARE THAT THIS ONE COMES IN THE WILL OF THE CREATOR AND DOES COME TO GIVE YOU INFORMATION THAT WILL HELP YOU IN THE DAYS TO COME. This one will simply identify to you once again as one who comes as MESSENGER OF THE CREATOR, and does come in the will of the Creator and with much love for you.

You have the opportunity now to leave this gathering place with much information that will be beneficial to you in the days to come. You must understand that inasmuch as you have agreed in this lifetime to fulfill a purpose upon the Earth, it does require that you be much aware of the spiritual aspect of you. You are aware that you now have the assistance that you need in order to fulfill your purpose upon the Earth. Those of you who are known on the Earth Plane at this time as OMEGA have been given your charge; in other words, you know what you must do in this lifetime upon the Earth. You also are aware that you have been given the assistance that you need. You have been given the knowledge that you need. What you must do at this time is simply to recall all those bits of information that have been given to you, that have strengthened you as a Spirit-in-Body. You have the opportunity now to go forth to complete the journey that you have with the knowledge that all you have been given through the voice of this one does indeed allow you to be one of strength, one of courage, one of ability.

This one would say to you that you are not left alone in this which is your journey. All those who have come to you in Spirit are indeed here to help you, to strengthen you, to guide you along your way. We who are in Spirit are well aware of the journey that you have taken and that which you must take. We are here to tell you that you need have no fears, that there is nothing that can occur that will disturb you with regard to the fulfillment of your journey upon the Earth. We who serve the will of our Creator have the opportunity now to give you one last bit of assistance. Know that we do not come to discourage you or to make you fearful; but we do come to tell you that the time, as we can see it from the Spirit Realm, is very near where you will need all of the knowledge that you have been given, all of the assistance that you have been given, and all of the courage that you have been given. Know that as we dwell in this which is known as the Spirit Realm where there is no time, there is no space, we often have an opportunity to help those of you who must live by time, who must live in space; and it is thus that we have the ability to see what is ahead for those who are living upon the Earth Plane at this time.

There are those on the Earth Plane who do not mean well to others who live upon the Earth. They are so charged by the desire for power that they look not upon the Love of mankind,

but they look upon the power that they can get in attempting to rule other people in the fullness of their ability to so do. And so this one who comes as Messenger of the Creator will tell you that much of that which is chaos upon the Earth will be brought about by those who are rulers of mankind upon the Earth. Be aware of those things that are taking place upon the Earth at this time, those decisions that are being made by rulers upon the Earth at this time; and know that as you have the opportunity now to seek out those who are in need of help with regard to the decisions they are making, it is wise that you begin now to daily send forth the thoughts that indeed their hearts must be turned to peace...not to that which is war. It is important that all those who are rulers upon the Earth Plane must be able to accept your thoughts. And so as you would simply look upon each one as Spirit in Body which has lost its way, know that you can indeed seek that they would indeed have a change in their way of thinking, have a change in their ability to not do that which is harmful to others upon the Earth, a change to that which is Peace. It is important that in order for each of you to do this, you must spend time in meditation each day; and during that time of prayer and meditation, you would send forth your thoughts to those who are the rulers upon the Earth, those who are making decisions for mankind. Not only must they be given these thoughts, but also others who are not in the will of the Creator upon the Earth, with regard to making decisions for their lives.

Know that the Spirit Within the body of every person upon the Earth Plane is indeed in bondage to the body that does encompass it, and that Spirit needs to be able to allow knowledge of the Creator to be known to those bodies in which they are encompassed. Know that as this is necessary, it is important that you would ask that the spirit within each of those making decisions for mankind upon the Earth would be so strengthened that it can indeed change the thinking of the human mind of the body within which it is encased. By so praying, your energy and your thoughts can be sent out to those who are in need of help at this time.

Be thankful for the knowledge that you have, the ability that you have at this time, to so affect the thinking of others who are in need of spiritual assistance. Do not hesitate to ask that their way of thinking would be changed to the will of the Creator. You must be aware that you have the strength now, you have been called to this journey, you have accepted this journey, you have accepted that you will indeed do that which is necessary to help others upon the Earth; and in order to prevent the entire destruction of mankind upon the Earth you must indeed send forth your thoughts and your prayers. You have the opportunity to be one of great strength and spirit at this time. May it be so. Again, this one comes to strengthen you, to help you, not to make you fearful. Know that ALL CAN BE MADE RIGHT UPON THE EARTH IF THOSE OF YOU WHO HAVE THE ABILITY TO DO SO CAN CALL FORTH THE STRENGTH OF SPIRIT IN THOSE WHO ARE IN NEED. It is important that you take on this as a task at this time as you are living as Spirit in Body. Know that you are living in a perilous time upon the Earth, but also in a time where you can complete the journey that you came here to complete, and complete it in such a manner that you will have fulfilled your purpose upon the Earth.

This one would at this time ask that the Creator of us all would simply send forth to you that which would be an abundance of energy, of spiritual energy that would surround each of you at this time. Know that as this one is calling forth that energy, you will be able to feel it in your very being. It is important that you not only feel it but that you accept it and be willing to use that additional energy in order that it might benefit mankind upon the Earth. We do not look upon you as super human individuals, but we do look upon you as a spirit that is dedicated to fulfilling the will of God upon the Earth; and that can be done if you allow it to be so. Be at peace. Know that this one is at this time seeking that you feel the energy that can be given to you in this time of meeting. Accept it. Know that you have been recipients of the love of our Creator, and that Love does contain the energy that you need at this time. Go in the Love and the Will of our Creator.

JEY returns and would ask that you remain in a time of meditation and allow the energy that has been so freely given, the love that has been so freely given, to enter your physical self in order that you may be strengthened physically and spiritually as well. You are blessed. You are

aware of your purpose upon the Earth; and it is now that we are calling forth action on your part, that you may be able to fulfill the will of our Creator upon the Earth. Know that it is the will of our Creator that you be able not only to complete your journey but that you be able to complete a journey that will help all of mankind. Be at peace. Go now in Love, and know that you are indeed much loved. Go in Peace. AMEN
