(This message from JEY and MESSENGER followed the reading of Anthony deMello's writing on LOVE)

JEY is here. Know that JEY is much aware of that which has taken place during this time of meeting, and does come to allow you to know that this one has been in your midst and does rejoice at your understanding of those things of Spiritual nature at this time. Allow JEY to say that indeed this one comes in the will of the Creator and does come now because there is an opportunity to share joy with you, to share additional Truth with you; and there are others who are gathered here with you; and you need to be thankful that you have the opportunity to invite others who have now found a time of peace and joy in the Spirit Realm to be with you here during this time of meeting. You are blessed in so many ways!

JEY wishes to come now to say this to you. As you have an opportunity to gather and to share those things which come to your mental self, and you have an opportunity to share with others of like mind those experiences that you have had in this lifetime upon the Earth, you are very blessed for indeed there are not many upon the Earth Plane who can meet and discuss things that relate to Spirit. Many do not have the knowledge that this is the important aspect of their lives....the Spirit Within them....and so often those few who have an opportunity to gather and discuss things of Spirit do find great joy in that which is the opportunity that they have.

And so as each of you have gathered here at this time, you take with you the knowledge that you have been in a time for which you need to be thankful. You have been in a time of receiving blessings from each other and from Spirit Within you. And so JEY comes simply to bring you the assurance that each of you have had the opportunity now to progress on your Spiritual Journey to the extent that you will have no fears whatsoever in the days to come. No matter what may be your obligation to others upon the Earth at this time you need not have fears, for you will be able to meet those obligations, those responsibilities that are put in your path.

Simply accept them with a joy in your heart and with the knowledge that the Spirit Within you will guide your actions and your words as you attempt to fulfill those things that will help you to take on and meet the responsibilities and obligations that you have.

JEY would ask you at this time if you simply will be at ease and at peace with self, that your mental self may be at peace with the knowledge that your Spirit Within you now is guiding your life.

Know that often the mental aspect of the physical body wishes to control the actions of that body to the extent that the Spirit does not always have an opportunity to control the body; but you are aware that the Spirit Within you is a Spirit of much strength and much determination. That Spirit is determined to see this physical body and this mental self which surrounds it be led beyond the physical aspect of life.

YOU ARE THAT WHICH IS REALITY....THAT WHICH IS SPIRIT....AND YOUR SPIRIT, THE REALITY OF YOU, NOW IS GOING TO CONTROL YOUR BODY AND YOUR MENTAL SELF. YOU ARE SPIRIT. YOU ARE REALITY.

And now allow JEY to say this further. As you have been in a time of discussing much during this time of meeting, there is another who wishes to come and communicate with you and bring you some clarity with regard to the thoughts that you have. And so if it is your will and if you remain in a time of meditation, JEY will allow another to come. Be at Peace with that.

AMEN! THIS ONE COMES NOW AND WILL IDENTIFY TO YOU AS ONE WHO HAS COME IN THE PAST AND ONE WHO HAS ALWAYS IDENTIFIED TO YOU AS MESSENGER. And this one comes as Messenger of the Creator. Accept that this one comes in the will of the Creator, for how else could a Messenger for the Creator come to you except in the will of the Creator! That you can accept, for indeed it is Truth!

This one comes simply to bring you additional Love as you have discussed it during this time of meeting. Know that as you have looked at aspects of Love during this time, you have taken heart for indeed you have been able to embody such Love so that you can show it as that which comes from the Creator. That Love which can shine forth from your very being does show upon your countenance to others that which is the beauty of the Love of the Creator for all his Spirits. You have the ability now to shine forth that Love to others; and you will bring peace to others who will come into your presence during your time of life. As you simply look upon another who is in your presence with the intentness that you can look upon that one, and simply show that Love through a smile, you will give Hope and Joy to those who come into your presence.

YOU ARE NOW A MESSENGER OF THE CREATOR, and even as the Creator brings Joy to you, you now have the opportunity to bring that Joy to others. You can do so in a non-invasive way....simply by allowing the Light of that Love to shine through you and the Joy of that Love to show upon your countenance! Accept that, for it is a gift that has been given to you; and you are to share that gift fully with others who come to you and are in your presence.

Allow this one to say this to you as well. As you become a more loving and compassionate individual upon the Earth, you have the opportunity to influence so many more who are Spirit in Body. And as you allow your compassion to be given to another who is in need, you bring a peace to the others. You have talked at this time of those who have passed to Spirit, and you know that it is important for you to remember those who have passed to Spirit in your prayers.

Send them your love, for indeed it is so important for them at this time. The Reality of those bodies have since passed on from the body that is no longer useful to the Spirit.

It is important for that Spirit to feel the Love of those of you who are still Spirit in Body, and for them to be assured that they have nothing to fear; for even as the Spirit became an aspect of the Creator, that Spirit will eventually return to the Creator. And so this one who comes as Messenger of the Creator would ask you to hold those names in your thought at this time, and this one will encourage each of those then to move forward to the Love and the Light that can be theirs for the asking and the taking. The Love of the Creator will surround them and keep them from fear as they now are approached by others in the Spirit Realm who come to welcome them.

Send forth your thoughts; send forth your prayers for each one who needs them at this time. There are many. And you simply need to say within your thoughts, "I send forth my thoughts to all who have passed from this which is the Earth Plane to Spirit and who have done so in fear and trembling." Know that each one then will feel your Love and will know that there is nothing to fear, and that you in your thoughts can accompany them then into the Light and Love of the Creator.

You have such ability now as Spirits in Body who are aware of your Spiritual nature. You have such an ability to help many who are not only in a state of living upon the Earth as Spirit in Body, but as that which is a Spirit that has left the body and is returning to the Spirit Realm. Hold all who have passed on in fear in your love and in your thoughts, and know that at this moment they can return to the Creator without being fearful. Indeed, that is their Creator to which they return at this time, with much joy.

This one who comes as Messenger of the Creator will tell you that your ability to do such does not end with this meeting! You now have the ability and the awareness that you can help every Spirit that leaves a body to move on again to an association with the Creator and to a time of Love and Joy. There are many in the Spirit Realm who will help you in this endeavor; and even as in the past, you have talked about those who have the ability to help others who have attached themselves as Spirit to one who is in body upon the Earth. Now each of you have the ability to so help those lost and fearful Spirits to return to the Spirit Realm with rejoicing, for they have nothing to fear!

You who are Spirit in Body and who have this as an obligation upon the Earth at this time....to move forth into the time where you are going to be needed to such an extent that you will often feel fear....need only to know that you can ask for such fear to be removed from you as well, for as you work with helping others who are in need, you may indeed feel a fear in that you may not be able to fulfill all that you have to do upon the Earth; and you must ask that you be strengthened and that all fear will be removed from you at a time when you are needed as Spirit in Body to help others

It is known that each of you who are here at this time have the opportunity to help others in so many ways; and this one would ask that your bodies be strengthened, that your mental self be strengthened, in order that you may fulfill all those requirements that do ask for your help upon the Earth. You have an unfound opportunity by many. You have this which is an unknown assistance as you attempt to help others upon the Earth. And so you now have an understanding that you can help those fearful Spirits move on into a time of Peace with the Creator and others who are in Spirit. You have the opportunity to fulfill your responsibility upon the Earth by asking to receive additional energy and spiritual help that you need. And you can rejoice in all of this, for these are indeed gifts that are given to you; and yet you have not been fully aware of the importance of these gifts!

And so this one who has been here in your midst and is aware of your thoughts....those which are spoken and unspoken....this one is aware and can tell you that you are here at a time when you needed to be together. And so this one will simply say that this one has simply come as Messenger of the Creator and does leave you with this prayer at this time:

May the Creator of All That Is surround you with the Love, the Strength, the Ability that you have to fulfill a mission upon the Earth which you accepted many eons ago. You knew at that time as you were in the Spirit Realm that you would be here on Earth at this time for a special mission. You are fulfilling that mission. And we would ask our Creator to bless you with added energy, added Spiritual energy, that you need at this time to become that which is a joy to all who you meet.

And this one would simply say **YOU WILL BE AT PEACE, YOU WILL LIVE IN LOVE.**

JEY returns and would ask you to accept what you have heard, for indeed it has been an enlightening experience for you. You have been more blessed than you will ever imagine, until such time as you return to Spirit. Be not fearful. Simply rejoice in what you have learned at this time; and JEY will remain in your presence, for you have received that additional energy, that additional uplift to your Spirit, that will help you recognize the presence of those who are in Spirit with you at this time. Go now in Love. Amen.
