

MESSAGE FROM JEY AND THE CHRIST SPIRIT

March 18, 2001 This message followed our reading and discussing excerpts from HORIZON messages dated 8-7 & 8-10, 1988 which had been forwarded to you last week,

JEY is here and does come now with much thanks and rejoicing for that which you have been discussing during this time of meeting. As JEY is in your midst, it is always with a time of thanksgiving, for JEY has the privilege of being gatekeeper for those of you who are known as OMEGA. Therefore, JEY has the responsibility for allowing you to receive only that information that can be given because it is the will of the Creator. It is now a time for JEY simply to come to you to allow you to know that what you are receiving IS TRUTH, and what you are allowing to become a part of the Spirit Within you IS TRUTH. JEY would not encourage you to look beyond that which you know to be Truth, but always to challenge information that is brought to you so that the Spirit Within you can confirm that what you are hearing and what you are receiving and internalizing is indeed Truth. JEY would ask you always to be vigilant with regard to those things that you read and hear, for there is much that is being given upon the Earth Plane now that does not include the will of the Creator for you to receive. Be aware that as you have come seeking for Truth, you will find Truth. That for which you seek will be found. And know that as JEY is here and in your midst, JEY continues always to be a gatekeeper for you and does continue as Guardian of Spirit for the one who uses voice for these messages. Be at Peace. Know that JEY does come now to allow another to communicate with you; and it is with great joy that JEY would welcome that one to your midst, for indeed that one has brought much Truth to you as well. Be at peace now and allow that one to communicate with you.

MAY PEACE BE WITH YOU AT THIS MOMENT IN THIS PLACE IN THIS TIME UPON THE EARTH, FOR YOU ARE BLESSED AND YOU MUST KNOW AT THIS TIME THAT THOSE OF US WHO ARE IN THE SPIRIT REALM COME TO REJOICE BECAUSE OF THAT WHICH YOU ARE ACHIEVING ON EARTH IN BODY AT THIS TIME. ALLOW THIS ONE TO COME TO IDENTIFY WITH YOU AND TO YOU IN THIS WAY.

You have at this time discussed that which had been the body of the one who was **Jesus** and the Spirit of the one who was the **Christ Spirit**. You have talked about many things of importance during this time of meeting. Allow this one to come to tell you that because of your sincerity and your great interest in that which has been discussed today, this one will come to you as that which has been told to you to simply be the **CHRIST SPIRIT**. Do not be alarmed at this. Do not be concerned that this cannot happen, for that which is the Christ Spirit is known throughout the Earth Plane, and that which is the Christ Spirit is one of great strength and indeed one of great beauty as you have been told. But this one comes now **simply to affirm to you that indeed the Christ Spirit did inhabit the body of the one known as Jesus. The Christ Spirit has been upon Earth many times in Earth body, in ages past, and will indeed come again, for that which is the Christ Spirit has always been a bearer of good news and this will continue. And even as the Earth now finds its being within a time of chaos, know that it is nearing the time when the Christ Spirit will again return to Earth. And as that occurs, it will be known that there will be many who will not accept that which is the body that will bear the Christ Spirit. But on the other hand, those who do understand and who do accept will find complete peace that is longed for upon the Earth.**

Not all who are Spirit-in-Body at this time wish for peace to occur upon the Earth. There are those who profit from a time of unrest, a time of war; but know that those who seek peace will indeed find it as a result of the Christ Spirit once again returning to the Earth. This time cannot be made known to you, for indeed it is never known to mankind exactly when the Christ Spirit will return; but you can be aware that as Spirit Within you is aware of that time of return, it will know and you will be one of great comfort to others during that period of time. You have prepared as you have been upon the Earth Plane at this time for a time of chaos. Let it be known to you that even though there is lack of chaos upon the Earth in your own place of habitation at this time,

know that there are many parts of the Earth where there is nothing known to mankind except chaos. It may be through that which would be an act of nature or it may be through that which is an act of mankind; but know that throughout the Earth there are many who are suffering as Spirits-In-Body at this time from lack of that which is good upon the Earth, from lack of that which is sustenance for the body upon the Earth. And within your own communities there are those who are far from knowing peace within, for they have not been able to follow after the leading of the Spirit.

And so you who are here and known on the Earth Plane as OMEGA have before you an opportunity to begin to practice which you are ready to work with as chaos upon the Earth, for whenever there is a time upon the Earth where good and truth cannot be known to all who are living within a certain area, that is chaos for them for they cannot know peace in their bodies, they cannot know that which you talk about as peace on Earth. So this one comes simply to encourage you to put your faith in the Truths that have been given to you. Put your faith in that which is known to you as the Christ Spirit. And put your faith in that which can be given to you in the days to come, for indeed as you seek after Truth, as you seek after following the Christ Spirit, you will be much at peace with your life upon the Earth. Do not allow what others believe to become an interference for you. Do not allow what others may teach...whether it be as an individual or as an institution upon the Earth...to become an interference for you. You now know that which is important for you, and that is to allow the Spirit Within you to control your thinking, to control your actions, to control your life. And as that is apparent to you at this time and as it is available to you at this time, accept it and give thanks to the Creator of All That Is that you have reached this time upon the Earth as a Spirit-in-Body where you have the ability to understand and to accept.

You have nothing to fear. You are indeed protected as your Spirit is here upon the Earth at this time. Know that your Spirit is protected. All that can happen outside that Spirit will have no negative effect upon it. You, with the aid of your Spirit, are in control of that which you do with your lifetime upon the Earth at this moment. Go from this place with the knowledge that you are in full understanding of the guidance of the Spirit Within you. Allow it to continue to be, and know that this one who has come to you as Christ Spirit has come simply to affirm that which has been given to you today through those words that you have read. You are blessed, you are guided, you are protected. And may you never doubt that you remain in a time of protection and a time of peace and a time of love as you are in this place or as you leave this place; for know that the Spirit Within you never ceases to be in control if you allow it to so be. Go now in Peace and the Love of the Creator of All Things.

JEY returns and comes now to be in a time of thanksgiving for that which has been given to you. Know that there are few upon the Earth Plane who have the opportunity to experience such information that has been given to you at this time. Be at Peace. Know that JEY will remain in your midst and will attempt to help you as you go through your life upon the Earth during the time to come. Simply remember that you have been greatly blessed during this time of meeting. Go now in Love. AMEN.
