

On September 11, 2001 I received the following MESSAGE FROM JEY after having seen the unbelievable destruction of the WTC and a part of the Pentagon. It is worth sharing with you this year, following the one-year anniversary since the attack on America.

MESSAGE FROM JEY 9-11-2001

JEY is here and is aware of your thoughts. Be it known that the one who is JEY does hear your wishes and does come to assure you that there will be only that which is Truth given; and also, this one comes in the will of our Creator.

At this time now allow JEY to give you this thought to consider. As you are aware, you who are OMEGA have been spending much time through many years preparing to cope with that which has been called chaos on Earth. You have seen much in the way of man's inhumanity to mankind. You are aware that the one who is our Creator would ask that all who are mankind on Earth would live in Peace and Love. You are aware that this has not been the case.

At this time JEY would tell you this. What you have witnessed this day is simply an example of mankind's hatred and desire to inflict that hatred on those who do not happen to look at things upon the Earth as they do. In other words, there are those who demand that all others would simply accept their beliefs and allow them to control those beliefs. It is now known that there is to be a great conflict that will interrupt the peace and tranquility of many upon the Earth; but JEY cannot ascertain the exact time of such conflict. Know this.....that those who are OMEGA are simply to be alert to those things that will cause conflict upon the Earth and be in prayer that the Love of our Creator would rule and overwhelm that which would be the evil thoughts of some who are mankind.

Know that when Love rules, that which is hatred is mute. There can be no hatred if there is Love among all mankind.

It is the knowledge of JEY that those who were so quickly taken from the Earth today were unaware of that which was pending for them. But know that there are many in Spirit who have welcomed them and sought to give them peace as they arrived in the Spirit Realm. Be at Peace for that; but also be at prayer for those who have left their bodies so quickly and remember those who were their loved ones on Earth, for they will have a most difficult time of coping with that which occurred.

As JEY can see it, the actions of those who caused the evil will in fact cause many to become more bitter and less likely to love fellow man; and so the problem is compounded. OMEGA is aware of the need to forgive and to ask forgiveness, but also to be in prayer and to send forth their prayers to all.

You who are OMEGA do not have the privilege of praying only for those who you consider to be right. Those who have perpetrated the wrong need your prayers as well, especially those spirits that inhabited the bodies of the perpetrators. Those spirits must grieve at this time, for they were unable to influence the minds of the bodies in which they were housed.

It is with much sadness that this one who is JEY must simply tell you that there is no quick answer to the deadly acts that are taking place on Earth. Mankind will continue to be in a negative state until such time as they recognize that they are Spirit-in-Body and that they are indeed of the Creator of All Things. You must accept that; and know that as you have an opportunity to show Love and Concern for others, that is what is necessary for you to do. JEY cannot ignore the fact that there is much ahead for you to cope with; but be aware that you are not alone, and we who are in Spirit will indeed be in your presence and will come to help when there is a need. Go now in Peace and Love. AMEN.
