

Message from JEY 3-14-04

JEY is here, and JEY has indeed been in your midst, and is here with love, and with much concern for those of you who must live upon the earth at this time. JEY is aware of all the turbulence upon the earth, and does come at this time simply to communicate to you that which is a necessity.

Allow JEY simply to say this to you: As you are living as OMEGA upon the earth, we who are in the spirit realm look upon you as those who have the opportunity now to be that which you might call a kindle of hope, for indeed, those of you who do have the opportunity to know TRUTH upon the earth, can be a light unto others at this time.

And so JEY is asking those of you who are here and those of you who receive this message to open that which is your light, that others may see that light shining in you. JEY is aware that often, as it has been said before, many who are seekers after TRUTH do fail to find that which is the ingredient that is necessary for them to continue in their journey, and to maintain that which is FAITH.

We who are in the spirit realm would ask you to be steadfast in your FAITH at this time, that you may be that which would be a beacon of light to others who are upon the earth.

There is upon the earth at this time so much in the way of destruction, in the way of despair, in the way of hatred, and know that as these things occur upon the earth, it simply stimulates more of the same.

Those of you who are OMEGA are aware of the fact that you must keep within your mental self that which is A TIME OF PEACE, A TIME OF HOPE, AND A TIME OF JOY. You cannot allow your mental self to be dragged to the depths of that which is known as hatred and despair; this cannot be. And so JEY would ask each of you to attempt now to simply look at what is occurring upon the earth as those things that will occur, not only today, but in the days that are to come, for indeed, mankind has not found the way to be at peace with self.

There are those who are intent upon destruction, those who are intent on harming those who get in their way of having that which is their own track which they wish to follow, that which is the killing of innocents upon the earth. And so it is, that as JEY has the opportunity now to come and be with you, and to discuss those things which are occurring, JEY would tell you that you simply need to be at peace with what JEY is saying at this time.

You have witnessed within your own country those acts of hatred which have caused many to die and caused much destruction upon the earth. That now has spread out to the rest of the earth upon which you live. It cannot be that this must be allowed to continue, and so you will find that in the time to come, there will be those things take place that will keep those who are intent upon such killing and such destruction... it will keep them from further harming others.

But before that occurs, there must be catastrophes upon the earth, and there will be catastrophes upon the earth that will frighten those that are so minded that they will curtail that which is the action that they are taking. And so JEY would ask you to be prepared for whatever may come with regard to that which is the cleansing of the earth. This has been spoken of many times in the past, but JEY is well aware that there must be a cleansing take place in order for mankind to once again have an opportunity for peace upon this earth upon which you live.

You live upon that which is a planet of much beauty and could indeed be a planet that will bring joy and livelihood to everyone who inhabits the planet. Know that you have an opportunity now to send out your spirit, as always, to work with others upon the earth, but also now, to be prepared mentally and physically, as well as spiritually, for whatever may occur upon the earth.

It is known that as you who are OMEGA, do indeed allow your spirit, which is of great strength, to go forth upon the earth and deal and work with others who are spirit in body, you will find that much can be accomplished. But before peace comes again to this earth, throughout the earth, there must indeed be that which has been known to each of you as a time of cleansing, and so it shall be.

JEY does not come to give you a timetable for this, but know that as JEY can see from the vantage point of the spirit realm, there does indeed appear to be a time now where those who are so bent upon destruction and death must not be allowed to continue.

It is known, too, that as mankind has the freedom to broadcast that which is thought across the earth through that which is your medium of communication, whether it may be one or all of the various mediums of communication that you have upon the earth today, that hatred can be broadcast in a matter of seconds around the earth.

Know that as well, those who are not in a time of hatred and destruction need to be broadcasting, as well, the thoughts of LOVE AND PEACE. These can be broadcast around the earth at this time. And those of you who have the opportunity to use that which is a medium that can indeed move information quickly around the earth... you need to take the time to allow that to be so.

We do not wish you simply to become that which is a full time broadcaster of TRUTH, but we do wish you to share with others the thoughts of PEACE throughout the earth, and thoughts of LOVE AND JOY. They can, indeed, be sent out to people who live upon the earth, and who do have access to these types of communication that will allow them to receive the messages that can be sent.

Allow JEY, too, to say this: Those of you who are here at this time are people upon the earth who have the ability to think clearly and to communicate clearly. You who have been given the opportunity to become educated in that which is mental thought upon the earth, must indeed know that you are blessed above many at this time. There are those who have not had the opportunities for education which you have had. You need to use the opportunity that you have now to share thoughts with others. You can share the idea of LOVE AND PEACE AND JOY with others with whom you come in contact. You do not have to become that which is a spiritual teacher, but you can share that which is TRUTH with those with whom you come in contact; that JOY AND LOVE AND PEACE AND TRUTH are those things that are absolutely necessary upon this earth on which you live at this time.

May you have the strength and the will and the desire to share those things that you have the opportunity to share.

And JEY would come with one more admonition for each of you...and that is this: Do not allow your mental self to become that which would be a gatherer of those things of a negative thought. Do not allow those things to enter into your mental self...your thinking. You do not have to become what we would call a listener of those things of negative import. You do not have to listen to the media that you have upon the earth if they are giving only those things of negative import. Allow yourself to be taken away from such as that. Attempt to hear only those things that would bring to your thinking the ideas of PEACE AND LOVE as it does apply to your life upon the earth every day.

JEY comes now with these thoughts simply because as JEY can see it, and as JEY understands that it has affected each of your lives, that you must no longer become a victim of things of a negative import upon the earth. Yes, JEY is aware that you have been told that all experiences are good for that which is your spirit within, but now there has become a time where the media upon the earth, the communication media, has overtaken that which has been TRUTH AND GOOD, and is being used mainly for that which is negative and of bad report. This must not be allowed to continue in your lives.

And so, as you go forth from this place, leave this place with a feeling of JOY, WITH A FEELING THAT YOU HAVE BEEN BLESSED, AND THAT YOU HAVE BEEN IN CONTROL AT THIS TIME, OF WHAT YOU CAN HEAR AND WHAT YOU CAN ALLOW TO BECOME A PART OF YOUR THINKING, AND ALLOW TO BECOME A PART OF THE KNOWLEDGE WHICH YOUR SPIRIT IS GATHERING TO SELF.

And so at this time JEY would simply say to you, you are blessed, you have the opportunity to fulfill that which is your mission on the earth, and you are indeed doing that very thing as you gather as OMEGA. Know that in the days to come you will find that if you will allow it to be so, your spirit will guide you wholly in the things that you do and say. May it always be so with you, and may that which is your own guardian of spirit continue to guide you and to help your spirit to be strengthened as it seeks to help you through this lifetime upon the earth.

Go now in love and be in a time of peace. Know that JEY will indeed come to be with you as there is a need. Go now in love. Amen.
